Showcase Your Business to Africa and the World

The Africa Commerce & Industry Summit 2026 (ACIS 2026) is the flagship trade and investment platform of the Kenya National Chamber of Commerce and Industry (KNCCI), convened under the chamber's patron, H.E. Dr William Samoei Ruto, President of the Republic of Kenya.

As KNCCI celebrates 60 years of championing enterprise and economic growth, ACIS 2026 will bring together governments, investors, global enterprises, chambers of commerce, development partners, entrepreneurs and business leaders to shape Africa's economic future.

This is where trade meets investment, partnerships are forged and opportunities become business.
